

The Medical and Legal Transcription Facility is an established and mature industry in USA and the market is more than six billion dollars worth. Keeping in view the cost involved in USA for a good transcriptionist, the rates comparable in India are only one tenth. We boast and possess quality manpower who can comprehend English with a high degree of accuracy and strive to achieve and even surpass the quality levels in USA.

The transcription services in India are moving towards countries like England, South Africa and Australia, where the need to have the medical and legal data transcribed exists and the transcription industry in India offers unmatched benefits due to **lower cost** of transcription.

Upload the dictations to our secure servers and they are delivered back to your PC in a Turnaround Time (TAT) of 3 to 24 hours (as per your requirement)

ARE YOU PAYING TOO MUCH FOR YOUR TYPING ??

We would like to take the liberty of introducing ourselves as a company currently offering **Transcription** services to our valued clients in the United States of America for the past two years.

We would also like to offer this **exciting, cost-saving and unmatched service to you.**
